JOSEPH ROBBIE
Managing General Partner

August 16, 1974, is the Tenth Anniversary of the award of the AFL franchise in Miami to Joseph Robbie and Danny Thomas. Since then, Mr. Robbie has been responsible for the total operation of the Miami Dolphins. He has made every major administrative decision in the ten-year history of the franchise. During this period, the Dolphins have completed nine regular seasons in the AFL and the expanded NFL.

Since the merger, the Dolphins have the best record in professional football over the past five years. They have won the AFC Championship three times and are one of the only two teams to appear in three Super Bowls and to win two World Championships.

The Miami Dolphins, under Mr. Robbie's executive leadership, are the most successful expansion franchise in the history of professional sports.

Joe Robbie is a native of Sisseton, South Dakota. He attended Northern State College in Aberdeen and received his Bachelor of Arts and Doctor of Jurisprudence degrees from the University of South Dakota. He majored in history while studying liberal arts. He served as student president of Sisseton High School, Northern State College and the University of South Dakota, twice served as president of the South Dakota Student Federation, was the first student to participate in editorial management of the Exponent (student newspaper) at Northern State College, served as sports editor of the Exponent and later the Volante at the University of South Dakota and was publicity director of Northern State College during his final two years as a pre-law student in Aberdeen.

He was sports editor and had his own by-lined sports column in his hometown weekly newspaper, the People's Press (later the Sisseton Journal-Press) from the age of 14.

Joe Robbie won the National Debate Championship in 1939 which was accompanied during his college career by State and Regional championships in oratory, debate and extempora-

DONALD F. SHULA
Head Coach — Vice President

Whenever Don Shula, the head coach of the Miami Dolphins, is asked to assess his place in history, he usually sidesteps the issue diplomatically by saying that historic assessments are made by historians.

But then Don Shula has made the historians' job easy, requiring only a quick review of the 1972 and 1973 seasons to establish his place among all the coaches who have prowled pro football's sidelines.

For during 1972 and 1973, Don Shula reached plateaus never before climbed in the history of organized pro football, which stretches all the way back to 1920 and the formation of the association that later became the National Football League.

During 1972, Don Shula accomplished two unprecedented feats:

—Directed the Dolphins through a 17-0 season, the first time any team ever had gone through regular season and post season action without a defeat.

—Brought his victory total to 105, becoming the first coach in the NFL to ever reach the 100-victory circle in his first 10 years.

During 1973, Don Shula added these accomplishments:

—Became the first coach to win three consecutive American Conference championships and appear in three Super Bowl games in succession.

—Became only the second coach in history — the late Vince Lombardi was the other — to win successive Super Bowls, which the Dolphins did by defeating Minnesota 24-7 in Super Bowl VIII.

—Add a 12-2 regular season record to 1972's perfect 14-0 mark for a two-year won-lost record of 26-2, the best in NFL history.

Many times historians should consider what an individual tried to do and not necessarily what he accomplished. The 1974 season was one of those former occasions.

Assistant Coaches

MONTE CLARK
Offensive Coach
(Offensive Line-Running Game)

After eleven years as a top lineman in the NFL, Monte Clark began his coaching career here in Miami in 1970, when Don Shula came to the Dolphins as head coach. At first he was labelled the offensive line coach. Two years ago this was changed to offensive coach. He is responsible mostly for the running game. The offensive line has led the AFC in rushing three times. In 1972 the Dolphins set a new NFL rushing record and in 1971 they were second. These latter marks were accomplished with offensive linemen who for the most part had been released, waived, or traded by other NFL teams. Each of the starting offensive linemen have been named to the Pro Bowl over the last two years.

In college he captained Southern California. He began his pro career with San Francisco as a defensive lineman. When he moved to Dallas he also moved to the offensive line, and later with Cleveland was the starting offensive right tackle in four NFL title games.

He was born in Fillmore, California, played high school ball in Kingsburg, California. He and his wife, Charlotte, live in Kendall with their three sons, Bryan, Randy and Eric.

DON DOLL
Defensive Coach
(Linebackers-Pass Defense)

A native of Los Angeles, Don Doll was a star at the University of Southern California in the mid and late 40's. Following graduation, he was a regular defensive back for four years with the Detroit Lions, and later played with the Washington Redskins and Los Angeles Rams.

He comes to the Dolphins after one year as assistant coach at Baltimore, three at Green Bay, five at Washington, one at Los Angeles and two at Detroit. He also spent four years as the offensive and defensive backfield coach at Notre Dame.

Don and his wife, Diana, have five children, Steven, Wendy, Kevan, Heidi and Michael. They live in Emerald Hills, north of Miami.

TOM KEANE
Defensive Backfield Coach

Tom Keane is the only Dolphin coach who has been with the team all the way from the losing expansion team days to consecutive Super Bowl titles.

As the defensive backfield coach he naturally works on the pass defense and it is noteworthy that the Dolphins set an NFL record in 1973, only allowing five touchdown passes. His two safetymen, Jake Scott and Dick Anderson, have been consistent All-League selections.

Keane has been coaching in pro football for 18 years. He began with the Chicago Cardinals in 1956 when a knee injury ended his career with that team. His next move was to Calgary in the Canadian League in 1960. From 1961 through 1964 he was coach and general manager of Wheeling in the United League. He then had one year with the Pittsburgh Steelers before coming to Miami in 1966.

In college he started as a quarterback on Ohio State's National Championship 1944 club. Then came Navy service in World War II which was followed by two years at West Virginia. His pro career, as a defensive back, began with the Los Angeles Rams in 1948. Then came Dallas in 1952, Baltimore in 1954 before the injury in 1956 ended his playing days with the Chicago Cardinals. With Baltimore he was the first Colt to earn All-League honors and two of his teammates with that team are now coaching associates, Don Shula and Carl Taseff.

He was born in Bellaire, Ohio. Now he and his wife, Mary, live in southwest Miami and have four children, Candi, Tom, Tim and Mary. Tom, Jr. attends and plays football at Waynesburg College.

MIKE SCARRY
Defensive Coach
(Defensive Line-Run Defense)

Mike Scarry is in his 26th year as a coach and his sixth as tutor of the Dolphins' defensive line. He came to Miami in 1970 when Don Shula became the head coach. Last year, with his defensive line helping more than considerably, the Miami Dolphins were second in the American Football Conference in the important statistic of fewest points scored against — 216.

Other 1974 statistics that highlight the work of the defensive line, show that the Dolphins tied with Pittsburgh in the AFC in fewest touchdowns allowed rushing, and they were third in the Conference in sacking the quarterback with 31.

Individually among his men end

Bill Stanfill was again an All-League and All-Conference and the other three regulars, end Vern Den Herder and tackles Bob Heinz and Manny Fernandez, were consistent performers, although the latter was sometimes handicapped by injuries.

Scarry began his coaching career at one of his alma maters, Western Reserve, 1948-49; continued at Santa Clara, 1950-52; Loras, 1953; Washington State, 1954-55; Cincinnati, 1956-62; and Waynesburg, his first alma mater, 1963-65. In pro coaching he was with the Washington Redskins, 1966-68, and scouted for San Francisco in 1969 before coming to Miami. He also spent several summers helping coach the College All-Stars.

He was born in Duquesne, Pennsylvania, and after a standout high school athletic career, he enrolled at Waynesburg College where he played three years (and this included an appearance in the first college game to be televised), then finished work for a degree, later at Western Reserve, while playing for the Cleveland Rams. His pro playing career began with the Rams in 1944, after two years of Army service. He captained the Rams in 1945 to the NFL title. The next year, when the Rams moved to Los Angeles, Scarry remained in Cleveland to play for the Browns (and continue work for his degree) and captained the Browns to the All America Conference championship.

Mike and his wife, Elizabeth, live in southwest Miami and they have eight children.

HOWARD SCHNELLENBERGER
Offensive Coach
(Receivers-Passing Game)

Howard Schnellenberger returns this year to the Miami Dolphins, a team he helped prepare to two Super Bowl games. These were the Miami teams of 1971 (defeated in the Super Bowl by Dallas) and 1972 (the end of the perfect 17-0 campaign with a victory over Washington).

After the Washington Super Bowl victory, Schnellenberger was named Head Coach of the Baltimore Colts where he spent the last two seasons.

He originally came to the Dolphins in 1970, being named the offensive coach with particular emphasis on handling the receivers in the passing game. It is in this same capacity that he returns this season.

Schnellenberger is a native of Louisville, Kentucky, and was an All-American end at the University of Kentucky. He played two seasons in the Canadian League with one year of U.S. Army service in between. He was an assistant at the University of Kentucky in 1969 where another assistant was Don Shula. He was an assistant at the University of Alabama from 1961 to 1965 and helped coach three national championship teams. Then he was receiver's coach of the Los Angeles Rams until he joined Shula in Miami in 1970.

Schnellenberger and his wife, Beverlee Ann, live in Miami Lakes with their three sons, Stephen, Stuart and Tim.

CARL TASEFF
Offensive Backfield Coach
(Kicking Game)

Carl Taseff has long been associated with Head Coach Don Shula. They are both natives of the Cleveland area and in college were teammates at John Carroll University. In the pros they were teammates at both Cleveland and Baltimore. They were drafted in the same year, 1951, by Cleveland and were traded at the same time, 1953, to Baltimore.

He was with the Colts through 1961 and finished his playing career with Buffalo in the AFL in 1962. After a year of being out of football, he re-entered the game as an assistant coach with New England of the AFL in 1964. From 1965 through 1968, he was an assistant coach with the Detroit Lions. Then he had two years with the CEPO scouting organization, a scouting combine that works for several NFL teams.

Shortly after Shula was named head coach of the Dolphins in 1970, he appointed Taseff as offensive backfield coach. In three of the five years he has been the offensive backfield coach, the Dolphins have led the AFC in rushing.

As for his playing performances, he is still in the Baltimore record book for most yards punts returned in a game, 148; most yards punt returns in career (1953-61), 826; longest punt return, 90 yards (TD); and longest attempted field goal return, 99 yards (TD).

Taseff is the father of two daughters, Cynthia Sue and Susan Alice.

JOSEPH ROBBIE (Continued from page 4)

neous speaking. He was a member of the all-state high school newspaper staff selected to publish the Sioux Falls Argus-Leader during the South Dakota Education Association Convention in his senior year in high school. He earned almost all of his college expenses from campus jobs.

Mr. Robbie enlisted in the Navy the morning after the attack on Pearl Harbor, on December 8, 1941, and was on active duty eleven days later. He served for four years from 1941 to 1945. He participated in five amphibious invasions in the Philippines and Borneo and was awarded the Bronze Star for leading assault waves ashore during these amphibious operations and for administrative accomplishment.

After serving as South Dakota Democratic State Chairman in 1948 and for two years in the South Dakota Legislature, he was nominated as the Democratic candidate for governor in 1950, losing the final election after Joe Foss had been narrowly defeated in the Republican primary. Joe Foss remained in South Dakota to be elected governor in 1954 and later to become Commissioner of the American Football League.

Joe Robbie moved on to Minnesota in 1951 to become Regional Director of the Office of Price Stabilization in an area covering Minnesota, South Dakota, North Dakota and Montana. He served as Mid-West Chairman of the fund-raising drive to construct the Harry S Truman Library in Independence, Missouri, and was the Democratic candidate against Congressman Walter Judd. He drafted the law which established the Minnesota Municipal Commission to prevent further fragmentation of local government in metropolitan areas. He became first chairman of the Minnesota Municipal Commission in which capacity he served from 1959 to 1965 when he entered professional football. During these years he served as Counsel to the Minnesota Legislature on matters of local and metropolitan government and to the Senate Government Operations Committee in Washington when the creation of the Cabinet Department of Urban Affairs was considered during the Kennedy administration. This Department was later created under President Johnson as the Department of Housing and Urban Development and Mr. Robbie was invited to the White House to witness the signing of the Act.

He was one of the three men in charge of the Inaugural of President Lyndon B. Johnson and Vice President Hubert H. Humphrey in 1965.

Joe Robbie contacted Joe Foss, a classmate at the University of South Dakota and a legislative colleague in the South Dakota House of Representatives, at the request of a client in 1965 concerning AFL expansion. Joe Foss told him that Franklin Field in Philadelphia was tied up in litigation and would not be available for an AFL expansion franchise but he recommended to Joe Robbie that he apply for a franchise in Miami where he was then representing legal clients. Commissioner Foss described Miami as the best open city not then having a pro football team. This was before Atlanta or New Orleans were granted expansion franchises in the NFL.

In addition to serving as Managing General Partner with complete responsibility for all operations during the entire history of the Miami Dolphins, Mr. Robbie has been active in a broad spectrum of civic and community affairs. He has served as Chairman of the Dade County Community Relations Board and as a member on the Board of Directors of United Way of Dade County, Heart Association of Greater Miami, Boys Town of South Florida, Crippled Children's Society of Dade County and

on the National Board of Directors of the American Health Foundation. He is on the Board of Trustees of the Dade Foundation, Jackson Memorial Hospital, Third Century, U.S.A. and the Pop Warner Junior League Football. He has served on the Board of Governors of the Greater Miami Chamber of Commerce and St. Jude Children's Research Hospital in Memphis since 1959. He is a member of the Council of Advisors of Florida International University and the Board of Advisors of Florida Memorial College. He has served as a member of the Board of Trustees of Biscayne College, Chairman of the Alumni Fund-Raising Campaign of Northern State College, National Chairman of the Fund-Raising Campaign to build Dakota-Dome at the University of South Dakota and as a member of the National Fund-Raising Campaigns of Notre Dame University and Carleton College.

He has been on the college faculty of St. Cathrine's in St. Paul, Minnesota, and Dakota Wesleyan in Mitchell, South Dakota.

Mr. Robbie has been awarded the U.S. Navy Citation for Meritorious Service, the Good Samaritan Award from the Variety Club, the Silver Medallion from the National Conference of Christians and Jews, an Honorary Doctor of Laws degree from Biscayne College, and an Honorary Fellowship by Hebrew University of Jerusalem. He has been cited as a distinguished alumnus by Sisseton High School, Northern State College and the University of South Dakota and has been installed in the South Dakota Sports Hall of Fame by the South Dakota Sports Writers Association and in the Northern State College Sports Hall of Fame.

Mr. Robbie has been recognized as Pro Football Executive of the Year by the Long Island Athletic Club in 1973, as NFL Owner of the Year by the Minneapolis-St. Paul Minute Men in 1971 and as Football Man of the Year by the Football News also in 1971.

He was married in 1942 to Elizabeth Ann Lyle. The Robbies have had eleven children, who now range from 12 to 31 years of age. Their daughter, Kathleen, was drowned at Acapulco in 1971 and they have established scholarships in her honor for Indian students at colleges in South Dakota.

Mrs. Robbie is a general partner in the Miami Toros of the North American Soccer League and serves as Vice President of the Miami Dolphins.

DON SHULA (Continued from page 5)

Miami won its division for the fourth straight year and participated in the playoffs for the fifth consecutive season. Although the Dolphins lost to Oakland, 28-26, some feel Shula proved once and for all that coaching consists of something more than diagraming plays. The word is motivation.

Although hampered by injuries (Shula refuses to use this as an alibi under any circumstances), the Dolphins finished with an 11-3 record, marking the ninth time in 12 seasons of coaching that Shula's teams have won at least 10 games. It also marked the fifth straight season that Miami, all under Shula, won at least ten games.

Even with the many problems, including the constant attention by the media of Dolphin players going to the World Football League in 1973, Shula kept his sense of humor.

One story illustrates Shula's ability to laugh, even after a tough defeat.

Miami lost a heart-breaking game to Washington, 20-17, when veteran quarterback Sonny Jurgensen took the Redskins in for the winning touchdown late in the fourth period.

The next day at a press conference, certain writers kept saying, "If Jurgensen hadn't completed that pass or if Jurgensen hadn't completed that pass." So it went for a few minutes.

Shula looked at the writers and said, "This all reminds me of the time Jimmy Brown (Cleveland fullback) gained a million yards against the Colts. The next day Coach Weeb Ewbank tried to rationalize. He said, 'Take away Brown's 90-yard run and then take away his 60-yard run. And his 50-yard run. And his 40-yard run. Heck, he then averaged just two yards a rush.' "

In addition, he lifted his five-year record since taking over at Miami to 57-12-1 in regular season games and 8-3 in post-season action. He has received Coach of the Year honors seven times in his 12-year tenure with the Baltimore Colts and the Dolphins.

At Baltimore, he had a 71-23-4 record, for an over-all mark of 128-35-5 that has left little doubt that he is, at age 45, right at the top of his profession.

What great design and/or philosophy has brought the coach of the Miami Dolphins to that juncture of history?

None. At least that's the way Shula feels about it.

"I'm no miracle worker and don't make me out to be one," Shula says. "I don't have a magic formula that I'm going to give to the world as soon as I can write a book. I'm not a person with a great deal of finesse. I'm about as subtle as a punch in the mouth."

And then, he often concludes with the following statement, as close as he ever comes to a statement of philosophy:

"I'm just a guy who rolls up his sleeves and goes to work. I don't have peace of mind until I know I've given the game everything I can, because the whole idea is to somehow get an edge. Sometimes it takes just a little extra something to get that edge. But you have to get it.

"I try to do it with mental preparation, and physical preparation, and in general with over-all preparation to accomplish the ultimate. Of course, I know that the people we play have the same goal — winning — so I try to put more effort in our preparation. You set a goal to be the best and then work hard every hour, every day striving to reach that goal.

"If you allow yourself to settle for anything less than Number One, you're cheating yourself."

That attitude has carried Shula throughout his coaching career, which began as an assistant at Virginia and Kentucky after a seven-year turn as a defensive back in the NFL with Cleveland, Baltimore and Washington.

The school-of-thought to which he was constantly subjected — and reveled in — was the Paul Brown School. It has become a part of the Shula system.

"Paul Brown offered more than fundamentals," Shula explains. "He brought something special into pro coaching. I think that if you want to pinpoint Paul Brown's greatest contribution to football, it was his ability to teach. When you learned something from Paul Brown, you never forgot it."

That Shula has that same ability is obvious from a statement made by quarterback Bob Griese when he was asked about the Dolphins amazing flip-flop in Shula's first year — from a 3-10-1 record in 1969 to 10-4 in 1970.

"Our club was ready to go," Griese said emphatically, adding succinctly: "We were just looking for somebody to take us."

Shula advanced to pro status following his one year terms at Virginia and Kentucky when he began serving with the Lions in 1960 under George Wilson, the man who became the Dolphins' first coach and the man whom Shula ultimately replaced.

In 1963, Shula obtained his first head coaching assignment at Baltimore, and turned in an 8-6 record. Not one of his teams since has ever lost more games than it has won, and not one of his teams has ever had a record that wasn't better than the one compiled his rookie season.

Shula spent seven years directing the Colts, compiling the 71-23-4 record under his guidance, including a 13-1 record in 1968 that astounded pro football's world. The Colts also had one other season when they lost only one game, 1967, when they put together an 11-1-2 mark.

Shula personally was rewarded during those two seasons by being selected Coach of the Year, an honor that first came to him in 1964 (his second year with the Colts, who had a 12-2 record that season), and also has earned this honor four of his five seasons in Miami.

In 1970, Shula left Baltimore for Miami, becoming head coach and vice president. He purchased a home in Miami Lakes for his family — wife Dorothy and five children, David, Donna, Sharon, Anne and Michael.

Then he went to work on the Dolphins, quickly instilling his own brand of organization for a team that had been a loser ever since its formation in 1966.

The Dolphins immediately turned around in 1970, gaining the play-offs before losing to Oakland, then in 1971 compiled a 10-3-1 record that eventually brought them the Eastern Division title in the American Football Conference after a playoff victory over Kansas City and a title game victory over Baltimore.

In 1972, pro football's world was astounded by the 17-0 mark put together under Shula's guidance by the Dolphins. It was the first world championship for the club and the coach, and Shula cherished it.

"This is," he said, "the ultimate."

Having reached the ultimate, Shula and the Dolphins made it two in a row in 1973 with another world championship, duplicating the feat achieved before only by Lombardi's Green Bay Packers.

"I never thought the thrill of winning our first championship could be duplicated," Shula said after Super Bowl VIII, "but winning two in a row is even more satisfying — the achievement, in my mind, even greater."

With the dream of a third straight Super Bowl victory buried at Oakland, Shula approaches the 1975 campaign with that fierce determination, always evident in his piercing eyes and his commanding voice.

As one player, who insisted on remaining unidentified, remarked, "We'll be back. Shula will make sure of that."

The coach this past year was Florida Crusade Chairman for the American Cancer Society.

PROSPECTS IN GENERAL

On February 18, 1970, Don Shula became the Head Coach of the Miami Dolphins and since that time they have had a regular season record of 57 wins, 12 losses and 1 tie.

In the same period they have won two Super Bowls, three American Football Conference Titles, four AFC East Division Crowns and qualified for the playoffs all five seasons.

In 1972 they had an unprecedented 17-0 record. Last year the regular season mark was 11-3.

Coach Don Shula said recently, "We felt last year it was tougher to stay on top than to get there. We did have the opportunity for three Super Bowl Championships in a row and in the 28-26 playoff loss to Oakland we gave it our best shot . . . some things are just not meant to be.

"Offensively we may have to change somewhat. However, Quarterback Bob Griese is intelligent and capable of adapting.

"Our opening regular season game with Oakland, the team that knocked us out last year, is a natural. It will make our training camp and pre-season campaign that much more purposeful."

As for prospects by position, here are the comments of Coach Shula:

QUARTERBACKS: Bob Griese, who had another outstanding year in 1974, is one of the truly great quarterbacks. He is a good director of the offense, a fine passer and still a relatively young man. Earl Morrall will always be remembered by Dolphin fans for coming off the bench to replace an injured Griese in the great season of 1972. He returns as a fine backup quarterback who certainly has more than his share of experience. (This will be his 20th season.) Don Strock has been a reserve for two years and has benefited in absorbing the Dolphin offense. Jack Graham of Colorado State is a draft choice as is Freddie Solomon of the University of Tampa. The latter is an all-round performer and can see service as a wide receiver and/or running back and is a possibility as a kick returner.

RUNNING BACKS: Mercury Morris, who was bothered by injuries most of 1974, is a talented running back as his rushing statistics of the two previous seasons (1972-73) will attest. Benny Malone had a great rookie season last year and we look for him to have a bright future. Don Nottingham has a great opportunity at the fullback spot and has always been a steady performer. Donny Anderson has come to us from St. Louis. He's a versatile player, has played some fullback, and he can come out of the backfield and catch a pass. Stan Winfrey of Arkansas State, one of our two second-round draft choices, had excellent rushing statistics in college to bolster his consideration as a fullback possibility. The other second-round draft choice, Freddie Solomon, can be a running back, wide receiver or a quarterback. Phillip Kent of Baylor, Clyde Russell of Oklahoma, Skip Johns of Carson-Newman and Dwaine Copeland of Middle Tennessee (also a possible defensive back) are other running back possibilities from the ranks of the draftees.

RECEIVERS: Our receivers were bothered with injuries last year but first-year man Nat Moore picked up a lot of the slack and was voted the Dolphins' Rookie of the Year. Veteran Howard Twilley, one of two remaining Dolphin originals (tackle Norm Evans is the other), had a good campaign and started nine games. Mel Baker showed promise as a rookie, especially in the final regular season game in which he caught four passes, two for touchdowns. We keep talking about draft choice Freddie Solomon and he definitely will get an intensive look as a wide receiver. Also drafted as wide receivers were Morris Owens, Arizona State, and Leonard Isabell, Tulsa. As for tight ends, Jim Mandich who is entering his sixth season, and Marv Fleming, who is entering his 13th, are two capable veterans. Jim McFarland is a newcomer to us after five years at St. Louis. We've known about him since his college days. He's a good blocker and has been used frequently in short yardage situations. Punter Larry Seiple can also be helpful at this spot and Andre Tillman, a second-round draft choice last year who was on injured reserve last season, will get a close inspection. Joe Jackson of Penn State was a tenth-round draft choice.

OFFENSIVE LINE: Norm Evans at tackle returns for his tenth season with the Dolphins. Larry Little at guard is entering his ninth pro campaign and this will be his seventh with the Dolphins. Both Bob Kuechenberg, guard, and Jim Langer, center, are six year men. All four earned All-League or All-Conference honors last year. At tackle Wayne Moore, bothered by a knee injury, returned to start the last three regular season games in 1974. Tom Wickert, a rookie a year ago, started three games as did Tom Funchess, a veteran who had joined the Dolphins after service with New England and Houston. Wickert can also play guard.

Ed Newman at guard, now in his third year, started four games last season. Doug Crusan at tackle, who was hurt on the last play of the opening game with New England last year, and then was on injured reserve for the rest of the campaign, returns this season. Irv Goode, who can play guard, center or tackle, will be going into his 13th season, his third with the Dolphins. There is great hope for tackle Darryl Carlton the number one draft choice from the University of Tampa. Also drafted this year were James Wilson, guard, Clark College; Joe Yancey, tackle, Henderson State; and Vernon Smith, center, Georgia.

DEFENSIVE LINE: Bill Stanfill, now entering his seventh season, was All-Pro again last year at defensive end and on the other extremity, highly-respected Vern Den Herder, who will be starting his fifth season, will also return. The veteran of the defensive line is reliable Manny Fernandez, at tackle who originally came to the Dolphins as a free agent. He is now going into his eighth season. Quiet and steady Bob Heinz at tackle will be a seven-year man this season. Maulty Moore at tackle is a four-year man. Don Reese and Randy Crowder, as rookies last year, had experience at both end and tackle. Among the draftees is Barney Crawford, a tackle-end from Harding College.

LINEBACKERS: The real veteran on defense is middle linebacker Nick Buoniconti, who is going into his 14th season. Doug Swift, out the last half of last season with a shoulder injury and Mike Kolen, return as six-year veterans as outside linebackers. The versatile Bob Matheson (number 53) is going into his ninth season, the last five with the Dolphins. He can play any linebacking position, also defensive end and is valuable on the special teams. Larry Ball, who can also play defensive end, is

entering his fourth campaign and Bruce Bannon his third. Drafted were Gerald Hill, Houston; Bruce Elia, Ohio State; and Steve Towle of Kansas.

DEFENSIVE BACKS: Safeties Jake Scott and Dick Anderson and cornerbacks Curtis Johnson, Tim Foley and Lloyd Mumphord have played together for five years. Charlie Babb has three years of experience at safety and Jeris White one year experience at the corner. From the draft list are Barry Hill, Iowa State; John Dilworth, Northwestern State; and James Lewis of Tennessee State.

KICKING GAME: Placekicker Garo Yepremian and Punter Larry Seiple are competent and reliable. Garo has many times been a game winner for the Dolphins. Seiple, in addition to punting, can play tight end or wide receiver, was a running back in college and could be an emergency defensive back. Dick Anderson, Donny Anderson and Don Strock can also do some punting. Drafted as a placekicker was Joe Danelo from Washington State. Nat Moore, Jake Scott and to a lesser degree Dick Anderson and Charlie Babb can handle punt returns and Moore, Mercury Morris and Benny Malone are competent on kickoff returns.

MIAMI DOLPHINS NFL'S BEST SINCE THE 1970 MERGER

The fairest test of supremacy among the 26 NFL teams is their comparative records in the five years since the AFL-NFL merger was accomplished.

During this period the Miami Dolphins have a 57-12-1 regular season record, the best in professional football. Along the way they have accomplished an unprecedented 17-0 perfect season.

The Dolphins are the only team to qualify for all five Playoffs. They won three consecutive AFC Championships on their way to three straight Super Bowl appearances. They won back-to-back Super Bowl Championships. All of these are post-merger records. The Dolphins' 8-3 Playoff record tops major contenders — Dallas (7-3), Minnesota (4-4), Washington (2-4), Oakland (3-4), Pittsburgh (4-2), or San Francisco (2-3).

FIRST FIVE YEARS AFL-NFL MERGER 1970-1974

Dallas	4	7-3	2	1
Minnesota	4	4-4	2	0

Kansas City	1	0-1	0	0
Green Bay	1	0-1	0	0
Buffalo	1	0-1	0	0
St. Louis	1	0-1	0	0

Against NFC competition, the Dolphins are 13-2, tops in inter-conference competition.

During this stretch, the Dolphins have lost only two home games in regular season competition. They have compiled a record of 31 consecutive victories in the Orange Bowl in regular season and post-season play. The last time the Dolphins lost in the Orange Bowl was to the New York Jets, 14-10, on October 3, 1971.

The Miami Dolphins also have acquired the best record in the history of NFL expansion with a 72-51-3 record in 9 seasons, compared with Dallas 116-86-6 in 15 seasons, Minnesota 98-91-7 in 14 seasons, Atlanta 42-80-2 in 9 seasons, Cincinnati 44-53-8 in 7 seasons, and New Orleans 30-77-3 in 8 seasons.

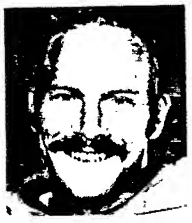
DOLPHINS VETERANS

ANDERSON, Dick — **Safety**

Ht.: 6-2 — Wt.: 196 — Colorado

Born: Feb. 10, 1946 — Eighth year (D-3, 1968)



PRO: A constant in one of football's best defenses and a major reason opposing quarterbacks don't throw deep against the Dolphins. Dick Anderson was named to the Pro Bowl Team and given league honors again last year. Known for his crisp tackling, Dick has never missed a game due to injury. Unfortunately in the Pro Bowl last January he suffered torn ligaments in his left knee when clipped but he should be as strong as ever for his eighth season. He came up with a key interception in the heartbreaking playoff loss to Oakland. Third on team with 93 tackles, 49 unassisted. He readily admits his best game as a pro was in the Orange Bowl against Pittsburgh in 1973 when he had four interceptions, returning two for touchdowns and coming just three yards short of scoring with a third. In 1971, his 62-yard touchdown return was key play for AFC title win over Baltimore. In 1974 he was close to the team leadership defending against eight passes. He's also a backup punter and returned three punts last year. Has had 33 interceptions in seven seasons.

COLLEGE: Received much attention his senior year at Colorado and gained All-America honors after three years as a regular. Named to All-Academic Team in Big Eight and received Ernie Davis Memorial Award for all-around excellence at Coaches All-America Game. Was also outstanding player in Blue-Gray Game after returning two punts for touchdowns.

PERSONAL: Born in Midland, Mich., raised in Boulder, Colo. Spends much of his off-season in Colorado enjoying winter sports. Excellent at tennis and golf and was one of the finalists in the 1973 Superstars Contest. He is president of Pro Financial Services. Dolphin teammates called on Dick's business background and elected him player-representative for the NFLPA. He now resides in Miami and has two boys, Christopher and Blakely.

the injured Jake Scott in last year's playoff against Oakland. (Scott was injured in the first half.) Had his highest rate of action last year making 22 unassisted tackles and helping on seven others. He also defended against three passes. In the 1972 Cleveland-Miami playoff game, Charlie received national attention by scoring the game's first touchdown after blocking a punt and carrying it in from five yards out.

BAKER, MELVIN — Wide Receiver

Ht.: 5-11 Wt.: 186 Texas Southern
Born: Aug. 12, 1950 Second year (D-8, 1974)

PRO: Picked up the nickname "Home Run Baker" for his three circus touchdown catches, only two of which counted. The first

one, early in the campaign, didn't count because Mel had one foot over the endline and he was moving so fast he went head first into the seats. In the regular season finale, he teamed up with Quarterback Earl Morrall for two long TDs. The performance helped pull out a victory against New England which had built a 24-0 lead. Considered one of the fastest of the Dolphins.
COLLEGE: Caught 19 passes for 330 yards and returned 18 kickoffs for 433 yards his final season. During his career at Texas Southern, Baker caught 64 passes for 1,332 yards and 14 touchdowns.
PERSONAL: A native of Houston, Texas, Baker was a track and baseball star in high school. He and his wife, Clara, have one child, Bertina.

Ht.: 6-6 Wt.: 225 Louisville
Born: Sept. 27, 1949 Fourth year (D-4, 1972)

PRO: After a rash of injuries in 1974, Larry was of great value when linebacker Doug Swift missed the second half of the

season. He filled in at the "53" position on passing downs with the assignment of either rushing the passer or dropping back into a coverage zone. He had an outstanding game in Dolphins' 24-3 victory over Cincinnati which assured a playoff berth. Had his best pro season, figuring in on 52 tackles, making 27 unassisted. He also defended against two passes and sacked the opposing quarterback three times.
COLLEGE: Went to Louisville on a basketball scholarship but switched to football his sophomore year and later captained the squad. He started as an 185-pound safety and had a 95-yard interception return.
PERSONAL: Attended Rushville (Ill.) High School and competed in football, baseball, basketball and track each for three years. Born in Iowa City, Iowa. Single and lives in Miami in the off-season. He has been a teacher and coach.

BUONICONTI, NICK — Middle Linebacker

Ht.: 5-11 Wt.: 220 Notre Dame
Born: Dec. 15, 1940 Fourteenth year (Trade, 1969)

PRO: Last year the veteran turned down a lucrative WFL offer which included management, to stay with the Dolphins. He was picked on the all-time American Football League team. A team defensive leader he is the perfect choice for defensive captain. His size has never hindered his field play and he is known as one of the quickest men at his position. He was second with a 51-49-100 tackles-assists record last season. He has been elected to all-league or all-conference teams more than half of his 13 years in the game. In 1973 he scored his first touchdown as a Dolphin by rumbling 13 yards with a fumble recovery. Was NEA choice (players' vote) as most valuable Dolphin in 1973. Has career record of 32 interceptions.

DEN HERDER, VERN — Defensive End

Ht.: 6-6 Wt.: 250 Central (Iowa) College
Born: Nov. 28, 1948 Fifth year (D-9, 1971)

PRO: Led all Dolphin defensive linemen by being in on 83 tackles last season, 50 unassisted. Ranked second with seven quarterback sacks and had 10 each of the previous two years. His name is often mispronounced but it doesn't bother this soft-spoken Iowan. In 1974 he also blocked four passes and recovered two fumbles. Has been a starter since 1972 helping Miami to both Super Bowl victories. He was one of only two rookies to make the squad in 1971 and spent much of that season on special teams. Named the Dolphins' best defensive lineman in 1974.

COLLEGE: Named to the NAIA and Kodak All-America teams and the NCAA and AP second teams. Captain. Most Valuable Player in the Iowa Conference as a junior. Set several basketball records and lettered four times each in both sports.

In 1973 he added to his honors by being selected All-AFC by the Associated Press. Played particularly well against Minnesota in Super Bowl VIII. This season will mark his tenth year as a regular at right tackle. Has played in more games than any other Dolphin. Originally drafted 14th by Houston in 1965 and twice was the team's best offensive lineman. Picked for the Pro Bowl this past year.

COLLEGE: Captain of 1964 TCU team. Played tackle and defensive end.

PERSONAL: Actively involved in Fellowship of Christian Athletes, he conducts chapel services for the Dolphins. FERNANDEZ, MANNY — Defensive Tackle

Ht.: 6-2 Wt.: 250 Utah
Born: July 3, 1946 Eighth year (FA, 1968)

PRO: Although bothered by injuries last year, played in 12 games and contributed with 38 tackles and 21 assists. He also tackled the opposing quarterback three times, blocked one pass and recovered a fumble. Probably because of his injury problem, 1974 was his first not being selected the squad's "Best Defensive Lineman," after winning the honor six straight years. Came to the Dolphins in 1968 as a free agent in the team's unheralded years and it was hoped he could help with the season ticket sales in the Latin areas. When Fernandez arrived he advised the club he didn't speak a word of Spanish. In 1973 he received the Johnny Unitas Award presented annually by the South Shore Quarterback Club (a New England Patriots booster group). The award goes to the player who has come into professional football in an unheralded manner and has made a significant contribution to the success of his team. That proved true without a doubt when in Super Bowl VII against Washington, he had 11 tackles and six assists.

COLLEGE: Three year letterman; captain of Utah squad as a senior.
PERSONAL: Born in Oakland, now lives in Miramar, Fla., with his wife, Marcia, and daughter, Christina. Loves to hunt and fish. Attended Chabot Junior College. Won three letters in both football and wrestling at San Lorenzo (Calif.) High. He worked with retarded children the past two off-seasons.

FLEMING, MARV — Tight End

Ht.: 6-4 Wt.: 232 Utah
Born: Jan. 2, 1942 Thirteenth year (Trade, 1970)

PRO: It will probably be quite a while before someone tops his record of playing in five Super Bowls, two with Green Bay and three with Miami. Alternated with Jim Mandich the past two seasons after owning the starting slot his first three years with the Dolphins. Known for his blocking ability, Coach Don Shula wanted Fleming to make the end sweep work. Played six years at Green Bay before playing out his option in 1969. He likes to point to his five catches against Pittsburgh in the 1972 AFC title game to show he does more than just block. Known as a "money" player. Picked on All Super Bowl team by Quarterback Magazine.

COLLEGE: Physical education major. All-Skyline Conference selection. Played in East-West Shrine Game.
PERSONAL: Born in Longview, Tex., and has lived in Compton and Venice, Calif. Attended Compton High. Single. Photography buff. Studied acting under Lee Strasberg at Los Angeles Institute of Theatre and Arts. Co-author of a book, "The Mind Garden." Spent past off-season traveling in Europe.

GRIESE, BOB — Quarterback

Ht.: 6-1 | Wt.: 190 | Purdue
Born: Feb. 3, 1945 | Ninth year (D-1, 1967)

PRO: Miami's all-time top quarterback and could pile records

upon his own records for some time to come. One of the main reasons Dolphins have been Super Bowl contender for last five years. Chosen to Pro Bowl honors again last year after completing 60.1 per cent of his passes for 1,068 yards and 16 touchdowns. Known as the "Thinking Man's Quarterback," he is a favorite of Coach Don Shula's for his ability to recognize the importance of the running game. Last season's Orange Bowl drive against Buffalo for the winning TD with under a minute to go is most memorable among many fans. In 1972 he suffered a severe ankle injury that sidelined him 10 games but he returned for the second half of the AFC Championship game at Pittsburgh and to direct Miami to the Super Bowl and then a victory in it. PRO: Known as the defense's 12th man in Miami's famed 53 Defense, he became a full-time starter last season when Doug Swift injured his arm at mid-season. Playing half the time as it was, he filled right in and won the team leadership in tackles-assists with a mark of 71-32-103. A real sharpshooter on the field, he always seems to be where the play is. His "53" role came about in passing situations when Bob was sent in and had the option to rush the passer or drop back into a zone. He played his part so well most NFL clubs adopted it. The defense was named for his uniform number. He came to Miami from Cleveland in a 1971 trade. Drafted in the first round by the Browns in 1967, he was primarily a special teams player in the beginning. Last season he also intercepted a pass, defended against seven others, recovered a fumble and tackled the passer three times.

COLLEGE: All-America career included honors from AP, UPI, Sporting News. Set record for most tackles in one season. Also captained.

PERSONAL: Native of Boone, N.C., where he has had a rock-crushing plant and also a boys summer camp. He now lives in Hollywood, Fla., in the off-season and works for a lumber concern. Married with two sons, Todd and Drew. Went to Applachian High in Boone and set records in track, football and basketball.

Ht.: 6-5 Wt.: 265 Bethune-Cookman
Born: Aug. 12, 1946 Fourth year (FA, 1971)

PRO: A reserve most of the time since his arrival in Miami, he has proven his worth in time of need. In 1971 he was a taxi-squad member and a reserve in 1972. But at the end of the 1973 season when Manny Fernandez was hurt, Maulty came through in the season finale and a playoff game. Last season he was officially credited with five tackles and 12 assists.

MOORE, NAT — Wide Receiver

Ht.: 5-9½ Wt.: 177 Florida
Born: Sept. 19, 1951 Second year (D-3, 1974)

PRO: Arrived in spectacular fashion after a do-everything career at Florida. Obtained in the third round of the draft because of a questionable knee, he ended all doubts by replacing the injured Paul Warfield early in the season at San Diego and helped Miami come from two touchdowns behind to victory. Remained in the starting lineup when Marlin Briscoe's injury sustained and is the likely successor to Warfield. Led all Miami receivers with 37 catches for 605 yards and two touchdowns. His average catch was good for a 16.4 yard average. He also returned nine punts without fair-catching one for 136 yards and a 15.1 average. His typical kickoff return was good for 26.7 yards and he totaled 587 yards in 22 attempts. His most spectacular was an 89 yard return with the opening kick in the Oakland playoff game. Voted to the NFL All-Rookie team.

COLLEGE: Basically a running back at Florida but was slowed his senior season with injuries. His junior season he carried 145 times for 845 yards and eight TDs. He also caught 25 passes for 351 yards and five TDs.

PERSONAL: A graduate of Edison High in Miami, he also attended Miami Dade Junior College and still lives in Miami.

MOORE, WAYNE — Tackle

Ht.: 6-6 Wt.: 265 Lamar Tech
Born: Aug. 17, 1945 Sixth year (WA, 1970)

PRO: An off-season operation after the 1973 Super Bowl de-

layed his return last year and almost kept him out the entire season. But hard work and competitiveness helped Moore regain his strength ahead of schedule and he returned in time to start against Cincinnati late in the season and help the Dolphins into the playoffs. Voted to the Pro Bowl in 1973. Originally signed with San Francisco after a basketball career at Lamar Tech (his father thought him too thin at the time to play college football). The '49ers tried him at tight end and tackle and he spent a year on the taxi squad and playing minor league football before Dolphin line coach Monte Clark spotted him disguised on the waiver list as Solomon Wayne Moore, his real name.

COLLEGE: Received three letters and named All-Conference in basketball. Earned degree in diesel engineering.

PERSONAL: Born in Beaumont, Tex., he has lived in San Francisco in previous off-seasons working as juvenile counselor but now resides in Miami all year. Basketball and football at Charlton-Pollard High in Beaumont. All-State in basketball and All-District in football as a defensive end. Married with one son, Solomon Wayne, Jr., and one daughter, Tamara Charrise.

MORRALL, EARL — Quarterback

Ht.: 6-2 Wt.: 192 Michigan State
Born: May 17, 1934 Twentieth year (WA, 1972)

PRO: At the tender age of 41, Earl will be as ready as ever if Coach Don Shula should need him in his 20th professional season of football. If he waits a few more years, he can play with his son Matt who is a freshman lineman at U. of Fla. Locally, he will always be remembered as paying back the quarterback insurance Shula issued for his contract in 1972. That's the season the Dolphins were 17-0 and Morrall came off the bench after Bob Griese's ankle injury to guide the team to 12 victories. He was also named the league's Most Valuable Player that season. He has passed for more than 20,000 yards putting him in an elite group. He was also MVP in 1968 and went to the Pro Bowl as early as 1957 when a member of the Pittsburgh Steelers. His pro career started in 1956 being the top draft choice of the San Francisco '49ers. He went to Detroit in 1958 from Pittsburgh and remained until traded to the Giants for three seasons starting in 1965. He then met up with Coach Don Shula who got Earl for "insurance" reasons in Baltimore in 1968 just as he was to do in 1972 with Miami. After Johnny Unitas' injury in 1968, Morrall led the Colts to 15 wins and an appearance in the Super Bowl.

COLLEGE: An All-America quarterback at Michigan State, he was a star in the 1956 Rose Bowl and played in the 1956 College All-Star Game.

PERSONAL: Born in Muskegon, Mich., where he went to high school and played football, baseball and basketball. Formerly lived in a Detroit suburb with his wife and five children, Matthew, Mardi, Mindi, Mitchell and Meghan, before moving to Miami this past off-season.

MORRIS, MERCURY — Running Back

Ht.: 5-10 Wt.: 192 West Texas State
Born: Jan. 5, 1947 Seventh year (D-3, 1969)

PRO: Real first name is Eugene but nicknamed "Mercury" in school after the swift messenger of the gods. And swift he is. Nearly put together back-to-back 1,000 yard seasons in 1972 and 1973 (falling just 46 yards short in 1973), before a re-occurring injury plagued him most of last year. He still managed to carry 56 times for 214 yards including a 17-yard TD scamper. He also caught a pair of passes for 27 yards. But when completely healthy in 1972 and 1973 he scored 12 and 10 touchdowns, respectively, and

provided the outside speed to perfectly compliment the inside power of Larry Csonka. He has gone to the Pro Bowl three straight seasons and named to many All-AFC teams. In 1973 he set a club record with a 197-yard afternoon against New England and broke and then tied his own mark of longest run from scrimmage of 70 yards.

COLLEGE: Held the all-time career rushing mark for NCAA major colleges until Steve Owens surpassed it in 1969. His college career total was an amazing 3,388 yards and famed running back Duane Thomas was in the same backfield with Morris at West Texas State.

PERSONAL: Born and raised in Pittsburgh, he was a star at Avonworth High School. Was a three-year letterman in football, basketball and baseball. Enjoys golf and weight-lifting. Now makes his home in Miami.

Ht.: 5-10 | Wt.: 176 | Texas Southern

Born: Dec. 20, 1946 | Seventh year (D-16, 1969)

PRO: Has alternated with Tim Foley for the regular left cornerback position while the other is hurt. Came back from an injury Thanksgiving Day, 1973 at Dallas when Foley was injured. Although still hampered, he performed flawlessly in the final three regular season games and the playoffs and Super Bowl that year. But 1974 was not as fortunate a season. He was injured at San Diego and hampered thereafter. He still participated in 40 tackles last season, making 26 unassisted. He also recovered a fumble and blocked a punt. He has been an asset on special teams since coming to the Dolphins as a 16th round choice in 1969.

COLLEGE: Won four letters each in football and swimming. Football captain as cornerback and flanker.

PERSONAL: Born in Los Angeles but moved and attended Tampa (Fla.) Middletown High where he was football captain. Still has many friends in Houston area where he went to college. He and his wife and daughter, Keelie, live in Miami where he works in public relations in the off-season.

NEWMAN, ED — Guard

Ht.: 6-2 | Wt.: 245 | Duke

Born: June 4, 1951 | Third year (D-6, 1973)

PRO: In the second game of last season he was called on to start. This happened because tackle starter Wayne Moore hadn't recovered from surgery and replacement Doug Crusan was injured for the year in the first game. Then Bob Kuechenberg was moved from guard to tackle giving Newman his big chance. He started the next three games. Assistant Coach Monte Clark calls Newman "aggressive, a real fighter — the type I want on my side in a battle." He also is an integral part of the specialty teams.

COLLEGE: At Duke he was All-Atlantic Coast his junior and senior years. Twice All-ACC heavyweight wrestling champ.

PERSONAL: Born in Woodbury, N.Y., on Long Island and went to Syossett High School where he was on the football, wrestling and track teams. Now lives in Miami and does public relations work in the off-season. Single.

NOTTINGHAM, DON — Running Back

Ht.: 5-10 | Wt.: 210 | Kent State

Born: June 28, 1949 | Fifth year (Trade, 1973)

Last season he carried 66 times for 273 yards and a 4.1 average including eight touchdowns. His most memorable score came on a 23-yard run which won the second Buffalo game in the closing seconds on a play called the P-10-Express when the Bills were caught blitzing. Nicknamed the "Human Bowling Ball" for his close-to-the-ground running style, he was obtained from Baltimore in 1973. Last season he also caught three passes for 40 yards. He made history by making the Colts in 1971 after being selected as the 441st player in the draft on the 17th round. Born: Feb. 14, 1945 Ninth year (D-7, 1967)

PRO: One of the most versatile athletes in Coach Don Shula's arsenal although he hasn't done anything but punt for the last three seasons. Can also play tight end, wide receiver and running back, and has worked out at all three positions last couple years during times of injury to others. With the new punting rule, his average slipped from 42.3 in 1973 (his best year) to 38.6 but the return yardage was slim. Best known for his fake-punt-and-run against Pittsburgh in the 1972 AFC title game, gaining 37 yards and setting Miami's first touchdown. Known as a clutch punter, he reeled off a 46-yard punt on the last play of regulation against Kansas City in the overtime playoff game. In 1969 he was a starter at tight end and led the team with 41 receptions, and tied a team record then with eight catches in one game. He can also play defensive back and is three-for-three as a passer. In rushing he has an 11.8 average in 12 tries. His longest punt was 73 yards against Pittsburgh in 1971.

COLLEGE: Played several positions and had three-year punting average of 40.5. Set record with 30 rushing attempts in one game. Once scored on a 70-yard run from punt formation against Mississippi on a fourth-and-28 situation. Co-captain.

PERSONAL: Born in Allentown, Pa. Three-year letterman and captain of football and baseball teams at Allen High. Now lives in South Miami with his wife and three children. He runs a motorcycle business at 14011 South Dixie Highway, Miami.

MIAMI DOLPHINS DRAFT

Bobby Beathard, Director of Player Personnel for the Miami Dolphins, doesn't hide his feelings concerning the team's player draft.

"I think this year's draft compares to last year's draft," says Beathard, who has been in the player-rating business for ten years with Kansas City, Atlanta and the Dolphins. "I think we got as many good players as we got last year, and last year's draft was outstanding."

The 1974 draft produced such standouts as wide receivers Nat Moore and Mel Baker, running back Benny Malone, offensive lineman Tom Wickert, defensive linemen Randy Crowder and Don Reese, and defensive back Jeris White.

"I agree with Coach (Don) Shula that the biggest asset of the players we drafted is speed," continues Beathard. "Last year, injuries forced us to use rookies immediately and we learned quickly that we had a good draft. Sometimes you must wait for a few years to learn whether you have a good draft or not. And this might be the case for the 1975 draft. But I think we had a real fine draft."

The Dolphins selected a total of 22 players including seven in the first five rounds. Darryl Carlton, a 6-6, 260 pound offensive tackle from the University of Tampa was the Dolphins' pick in the first round.

In the second round the Dolphins used their two picks for running back-wide receiver Freddie Solomon, a teammate of Carlton's at Tampa, and running back Stan Winfrey of Arkansas State.

Included in the Dolphins' selections were five linemen — four on offense and one on defense, a tight end, a kicking specialist, a quarterback, three linebackers, three defensive backs, two wide receivers, and six running backs including two who can play as wide receivers.

DRAFT CHOICES

CARLTON, DARRYL — **Offensive Tackle**
Ht.: 6-6 Wt.: 260 Tampa
Born: June 24, 1953 First Year (D1, 1975)

"Darryl is the type of player with great ability and great desire," says Bobby Beathard, the Dolphins' Director of Player Personnel. "He has the physical tools and under the guidance of Monte Clark (Offensive Coach), Darryl should develop rapidly. He's going to be a great player for a long time. We rated Darryl the number one offensive tackle in the country and one of the top four or five players in the country. We knew he would go on the first round. We consider ourselves fortunate that he was still available on the first round." Carlton started his career as a defensive tackle at Tampa. His hometown is Fort Meade, Florida.

COPELAND, DWAINE — **Wide Receiver/Running Back**
Ht.: 5-11 Wt.: 170 Middle Tennessee State
Born: January 11, 1952 First Year (D17, 1975)

"Copeland can be both a running back or a wide receiver," says Beathard. "We can expect him to put on weight

and play at 190. He's light now because he's a sprinter on the track team. He also returns kickoffs and has special team potential." Copeland can run the 100 in 9.4. His hometown is Bradenton, Florida.

CRAWFORD, BARNEY — **Defensive Tackle**
Ht.: 6-4 | Wt.: 246 | Harding College (Arkansas)
Born: February 17, 1953 | First Year (D8, 1975)

Crawford came to Harding College as a slender 200-pounder and as written in the school's media guide "has grown up." The 246-pounder was a standout defensive tackle for Harding. He has quick lateral movement along with agility and strength. His hometown is Clarkridge, Arkansas.

DANELO, JOE — **Placekicker**
Ht.: 5-9 | Wt.: 166 | Washington State
Born: September 2, 1953 | First Year (D10C, 1975)

Danelo holds the Washington State school record for field goals in one season (12 in 1973) career (31). He also holds the school record for distance with a 55-yard field goal. He kicked successfully 68 of 71 extra point attempts. His coach, Joe Sweeney, compares him favorably with another famous kicker, Jan Stenerud, whom he coached at Montana State. Danelo's hometown is Spokane, Washington.

DILWORTH, JOHN — **Cornerback**
Ht.: 6-0 | Wt.: 170 | Northwestern State University (Louisiana)
Born: January 23, 1953 | First Year (D11, 1975)

"John Dilworth has superior speed," Beathard says, "Runs the 40 in 4.5. He intercepted six passes in 1974." Dilworth's hometown is Pine Bluff, Arkansas.

ELIA, BRUCE — **Middle Linebacker**
Ht.: 6-1 | Wt.: 222 | Ohio State
Born: January 10, 1953 | First Year (D4, 1975)

"He's a versatile football player," says Beathard. "As a junior, he played fullback and scored 14 touchdowns on a team which didn't lose a game. Last spring before his senior year, he was switched back to linebacker where he had played as a freshman and a sophomore. It was our opinion at last year's spring practice that he was on a par with Randy Gradishar, Ohio State's great linebacker the previous year." Elia's hometown is Cliffside Park, New Jersey.

GRAHAM, JACK — **Quarterback**
Ht.: 6-4 | Wt.: 198 | Colorado State
Born: June 17, 1952 | First Year (D14B, 1975)

In two years of varsity competition, Graham completed 78 of 173 passes for 1054 yards and four touchdowns.

"Jack had trouble with one of his eyes which caused a problem," says Beathard. "But doctors feel this can be corrected with a contact lense." Graham is also a solid golf player. His hometown is Palo Alto, California.

HILL, BARRY — **Free Safety**
Ht.: 6-3 | Wt.: 185 | Iowa State
Born: January 26, 1953 | First Year (D5B, 1975)

Hill established two Big Eight records while playing at Iowa State, passes intercepted in one season (9) and career passes intercepted (21). The coaching staff plans to use him as a free safety. He was an All-State basketball player in high school. Hill's hometown is Delray Beach, Florida.

HILL, GERALD — **Linebacker**
Ht.: 6-0 | Wt.: 223 | Houston
Born: October 9, 1952 | First Year (D3, 1975)

"He has great lateral movement," says Beathard, "and excellent instinct for the ball. Fine on pass coverage. An excellent open field tackler. Terrific upper body strength." Hill played defensive tackle at Houston and was switched to middle linebacker before his senior year. Injuries hampered him a good part of the 1974 campaign. Hill's hometown is Corpus Christi, Texas.

ISABELL, LEONARD — **Wide Receiver**
Ht.: 6-3 | Wt.: 184 | Tulsa
Born: August 1, 1953 | First Year (D13, 1975)

"The Tulsa coaches feel Isabell has the ability to be a top-flight receiver," says Beathard. "He had an excellent junior year (29 receptions, 410 yards, 5 touchdowns)." In his varsity career, Isabell caught a total of 59 passes for 793 yards and 6 touchdowns. His hometown is Tyler, Texas.

JACKSON, JOE — **Tight End**
Ht.: 6-3 | Wt.: 215 | Penn State
Born: July 27, 1953 | First Year (D10B, 1975)

Penn State Coach Joe Paterno recommended Jackson to the Dolphins. "He played mostly as a linebacker in 1974," says Beathard, "and also was a member of the special teams. We plan to try him as a tight end. A versatile performer. He went to Penn State as a wide receiver." In the Cotton Bowl win over Baylor, Jackson returned an onside kick for a touchdown. Jackson's hometown is Brimfield, Massachusetts.

JOHNS, SKIP — **Running Back**

He averaged approximately 20 yards on every catch he made at Arizona State." In three years, Owens caught 84 passes for 1744 yards and 17 touchdowns. "Coach (Frank) Kush compares him to some of the great ones he has had at Arizona State," says Shula. Owens' hometown is Chowchilla, California.

We were positive that he would go on the first round." In his varsity career, Solomon, a quarterback at Tampa, ran 557 times for 3299 yards and scored 39 touchdowns. He averaged 5.9 yards per rush. He threw 436 passes, completing 188 for 2504 yards and 11 touchdowns. Twenty were intercepted. He rushed for 100 yards or more in 17 games. He returned 19 kickoffs for 494. Ht.: 5-11 Wt.: 223 Arkansas State
Born: February 20, 1953 First Year (D2B, 1975)

"There were two big running backs we had solid convictions about," says Beathard. "And Stan Winfrey was one of them. He's the combination type, power and breakaway speed. Outstanding blocker. He's not weak in any category of the game." Winfrey rushed for 1610 yards on 350 carries and scored 12 touchdowns during his varsity career. He missed most of his junior season with a shoulder injury. He carried the ball only 32 times as a junior. Winfrey is from Forrest City, Arkansas.
